Abu Dhabi Fund for Development

Self-Regulating Generation Licence
Part 1 – The Licence

1. Grant of Licence

The DoE hereby grants a self-regulating generation licence ("Licence") to The Abu Dhabi Fund for Development ("Licensee") to carry out the activity referred to in Part 1, paragraph 4.

This Licence is granted in exercise of the powers conferred on the DoE by Article (4) of Law No (11).

2. Conditions of Licence

This Licence is granted subject to the Conditions in Part 2 of this Licence and for the term referred to in Part 1, paragraph 3. This Licence is subject to revocation in accordance with Condition 4.

3. Licence term

This Licence is effective from 25 March 2018.

4. Licensed Activity

The activity permitted to be carried out by the Licensee is the generation of electricity up to a maximum installed capacity of 41.00 kWp (employing the use of photovoltaic (PV) solar panels mounted on the Roof top of the Fund Building (ADFD).

The generation installations shall be connected to the supply side of the customer’s meter.

The above text is in Arabic.
5. Definitions

DoE Department of Energy as established under Law No (11) of year 2018

Electricity Distribution Code means in relation to any distribution company, an electricity distribution code or codes required to be drawn up by a Licensed Electricity Distribution Operator and approved by the DoE, and as from time to time revised with the approval of the DoE;

Law means both Law No. (11) Law No (2)

Law No (2) means Law No (2) of 1998 Concerning the Regulation of the Water and Electricity Sector in the Emirate of Abu Dhabi, as amended; and

Law No (11) means Law No (11) of 2018 Concerning the establishment of Department of Energy

Licensed Activity means the activity permitted to be carried out by the Licensee pursuant to the terms of this Licence;

Granted by:

Mohammed Bin Jarsh Al Falasi
Undersecretary

Part 2 – Self-Regulating Generation
Conditions

Condition 1 – Compliance
1. In carrying out the Licensed Activity, the Licensee shall comply with the terms of this Licence and The Law at all times.

Condition 2 – Provision of information to the DoE
1. The Licensee shall submit to the Department, in such manner and at such times as the Department may require, such information as the DoE may consider necessary in light of the Conditions or as it may require for the purpose of performing the functions assigned or transferred to it by or under the Law.

Condition 3 – Health, Safety and the Environment
1. The Licensee shall comply with all current health and safety and environmental regulations and legislation in the Emirate of Abu Dhabi, where applicable.
2. The Licensee shall ensure that at all times the solar PV generation system is only operated, maintained and can only be accessed by appropriately qualified personnel.

Condition 4 – Revocation
1. The DoE may at any time revoke this Licence by giving at least 30 days prior written notice to the Licensee.
